

From the intersection of Court and Park Streets, enter through glass doors on south side of mall, between Salt hill Pub and Twice on Sundae.

Take the stairs on the left up to the second floor and go through the wooden door at the top. The door has a poster on it for Mayor Pete right now, but that may change as the year goes on.

Go into the doors on the left just after you exit the stairwell.

Walk down the hallway on the right.

Door 89 will be on your right.
