TIME	EVENT	DESCRIPTION	KEY
4:00-5:00 PM	Lilly Golden	This Vermont-based singer-songwriter puts a bubbly, sapphic spin on indie pop and Americana. Her lyrics are romantic pocket-sized memoirs that feel like glances into a private diary.	
5:15-6:30 PM	Joy Clark	This proud, queer, Black singer-songwriter blends the social consciousness of folk, the sultry rhythms of southeast Louisiana, and the soulful worship music of her youth.	
6:45-7:45 PM	Sirsy	This Albany-based duo describes their music as "sassy pop-rock" and The Boston Globe dubbed them "the little band with the big sound." Their songs are celebratory and catchy as hell.	
8:00-9:30 PM	Miss Emily	This acclaimed Canadian singer found her voice on the side roads, backroads, and highways of Ontario. Along the way, she honed her Juno Award-nominated blend of blues, R&B, and jazz.	
9:30-11:30 PM	Silent Disco	Close out Day One at our signature dance party under the stars. DJ Sean and DJ gEndEReNdeR provide the beats, we provide the headphones, and you bring your best dance moves! This event is paid and space is limited. Please prepare to leave a photo ID at the registration tent.
